Frost Hits Celery and Cabbage Lead Shipments As Produce Hits Winter Volume Peak

Cooler weather smacked into the Glades region Wednesday morning and more was promised for early today before a warming trend Friday. The cooler weather was appreciated by local growers; however, it was expected to bring spot damage to beans and corn particularly and other young crops.

Produce moved in heavy volume, although less than last week. Celery continued to lead vegetables in volume with cabbage second. Some corn is being reported ready for harvest.

The bean market is slow with a wide range in price depending on type and quality, most sales \$3.00-4.00. Cabbage sold \$1.25-1.50 wholesale movement during the week. Celery got the best prices for the smaller sizes and sold at \$1.75 to \$2.00.

Corn sold at \$3.00 for crates of five dozen. The least items moved at lower prices. The demand for potatoes was lighter as sales ranged \$2.00-2.25 and the radish deal was at the bottom at 75 cents for baskets.

Frost was scattered, generally away from the lake with the heaviest during Wednesday.

Business and Professional Women showed their interest in juvenile delinquency when 30 turned out Monday night to hear Gene Duncan, assistant juvenile court clerk of Palm Beach County. The meeting was held at the home of Mrs. John Paul Jones.

Miss Gloria Crosby, chairman of the program on Health and Safety, introduced the guest speaker. In beginning his talk Mr. Duncan told the history of the juvenile court of Palm Beach County, the progress made in the last several years. He stressed the potential need of a detention facility for delinquent children in the county and mainly a detention home, also cited cases where philosophy of the juvenile court had helped instead of punishment.

"There are usually two types of delinquents," he said, "the adventure seeker who does things for a thrill and not because of any deep seated unbalanced emotional need and the emotionally insecure child who violates the law because of an emotional or social maladjustment." The latter type is the one that they worry about, he added.

In his work with boys and girls, Mr. Duncan stated that he finds that closer family and stricter law enforcement and removal from the streets of juveniles and individuals are deterrents to crime and delinquency.

In talking about the dependent and delinquent child, he said "Delinquency stems from some type of dependency. Our policy has been reconstructed so that we are entirely cut off from any contact with the independent child. This has the favorable effect of diminishing the over-all picture of individual delinquency."

JC Bosses Night Is This Evening

Belle Glade Police Lieutenant V. R. Clark will be guest speaker at the Belle Glade Junior Chamber of Commerce Bessie Night banquet at Dixiana Grill tonight at 8:30, according to Jayvee President Bill Bailey. Committee members for the event include Hubert Anderson, Bill Burke and Jesse James.

Glades Road Jobs Moving Along Well

One Glades paving job is completed and two more are in the final stages of completion. The Glades, according to Palm Beach County Commissioner Chairman Paul Rardin, in California.

Rardin said Wednesday that the plan to lay the final finish coat to SR 715 from SR 80 to East Shore Drainage Pump today, said that all shoulder fill was down ready to be leveled.

Rardin also said a section of Lake Shore Drive at Canal Point from the U. S. 441 bridge to the packing house area will be completed now with asphalt base, curbs and gutters.

Contractors are also finished with the level coat on 7.2 miles of SR 80 from Six Mile Bend east. Also, all shoulder fill is done, and it was expected that the contractors would lay the final coat to SR 80 after the SR 715 project was completed.

Largest 1960 Sale Tops Sales Since May And June '58

The largest money sale of the year and the largest gross receipts since June, 1959 was held at Glades Livestock Market Monday when 942 cattle returned \$102,184.88, the weekly market bulletin reports.

Twenty-four percent of the offering went to slaughter. Cows made up 37% of the run and 84% of them went to stocker buyers.

The June 8 sale sold fewer animals for a larger return than Monday's sale and the May 18 sale saw a larger number sold.

Compared to the previous week, slaughter steers and heifers sold 25-50 cents lower; cows, calves and bulls sold steady.

Stocker steers were steady, heifers \$1.00-\$2.00 higher, cows \$1.00-\$5.00 higher, calves steady at \$5.00 to \$6.00.

Slaughter Prices
Steers (96) \$1.50-21.50; heifers (26) \$1.25-18.00; calves (19) \$1.25-28.75; cows (57) \$1.00-19.75; bulls (26) \$1.00-21.25.

Stocker Prices
Steers (26) \$2.00-21.75; heifers (68) \$1.50-24.00; calves (215) \$1.00-30.00; cows (230) \$1.25-24.50; bulls (32) \$1.00-32.00.

Cows (26) \$1.00-25.00; dairy cows \$1.75-17.25.

City Will Consider Plans For New Civic Building

Belle Glade Commissioners reacted favorably Thursday night to requests from several civic organizations to build a civic building to meet the needs of the community, according to City Manager C. B. Talmadge, who said the meeting was requested by the Belle Glade Women's Club.

A committee headed by the mayor with at least one representative of all the city's civic organizations will be created to study the problem in the near future and make some sort of recommendation to the city fathers.

According to Talmadge, there has been no definite commitment by the city except to receive suggestions and study a plan to build a structure which would suit the needs of the majority of organizations.

Talmadge pointed out that some funds were available both in the city's purse and in organizational funds; however, nothing about the final cost of the building has been set.

The desire for a new civic building was an outgrowth of sentiment that the present Women's Club building at the city park was too small to conform to the needs of the city. No position of the present building was mentioned at Thursday's meeting, but it was understood that the mayor's committee would also include building site recommendations.

Principal source of municipal funds was believed to be \$20,347.32 fund originally set aside as a swimming pool fund. Also mentioned Thursday was a sum of \$2,000 from the Women's Club. Other funds were mentioned except that the city had nothing budgeted for such a building this year.

For more than a year the city has been represented at the meeting.

South Avenue E Now 90% Finished

After a year of work, detours, mud, more work, and high-lying dirt in every direction, the end is in sight to street construction on South Avenue E, according to B. M. Woolbright, Jr., resident engineer for the State Road Department.

Avenue E is considered 90% complete this week and another 30 days should see it ready for construction. East footage of the project is expected to be finished this week by Rubin Construction Co., a sub-contractor for C. T. Stockton.

All that would remain to be done in major work would be the top rock coat and the adjustment of 34 manholes. The job which extends from South Canal St. (E.) to SR 715.

The four-laning of the street extends only from South Canal St. to S. W. 19th St., but the street is still expected to become a major artery for traffic passing through the city. Sidewalks, curbs and gutters extend to 10th St. too.

Rams Win Third From Falcon Five

Belle Glade High's Rams posted their third season win Tuesday afternoon when they stopped a scrappy Falcon Five 45-41. It was the fifth loss in eight starts for the losing Falcon.

The Rams take on Lake Worth for the third time this year on the coast Friday. The contest at Naples scheduled for Tuesday, Jan. 26, has been moved to Thursday and on Jan. 29 the Rams host Stuart.

Lake Worth played a 70-38 season win and a 58-37 tournament victory over the Rams.

Several odd snoutpaw tosses by Ron Hupshel helped give the Rams a 20-point lead at the afternoon's scoring for the Rams while Doug Thompson contributed 12 more. The Rams led at halftime 20-19 and edged in a 13-10 third quarter followed by a deadlocked 12-12 fourth period.

With starters Stan Liella and Scott Lahti out of the lineup due to illness, John Danforth led the Rams shooting scrape with 12 points.

Belle Glade also won the B game 51-47.

BCHS - Pahokee
Butch Davis hit 25-43 to pace the Rams to a 50-40 victory over Pahokee Friday. The Rams held the Blue Devils to low scores in all but the last quarter when the Rams reserves saw some action.

Mac Crews was high for the Rams with 13 points.

Skipper Peacock hit 13, Bobby Stratton 12 and Robert Rabin 11 points to lead the Rams to a 50-29 win over the junior Pahokee squad. John Russom hit 10 for the losers.

Junior's Top Sales In Magazine Drive

Junior Classmen at Belle Glade High School are puffing out their chests about their recent all-time high record for sales of magazines.

The greater percent of the 99 class members sold \$2,638.32 in new and renewal subscriptions in a drive last completed to the previous high of the Class of '56, set when they were juniors. The 1956 group sold \$2,117.

The top five salesmen in the drive will be announced next week when individual totals are tabulated.

Field House Plans Get Board's OK

Preliminary plans for the Belle Glade High School Field House were presented to the Palm Beach County Board of Public Instruction at its last meeting, according to Howell L. Watson, director of the Board of Public Schools.

Presented by Chester A. Cone, designing architect, the estimate for the building is \$28,500 net, the budget \$32,682.

The plans were approved.

In other action at the board meeting, Superintendent Watkins reported the receipt of approval for preliminary plans for the addition at South Bay School. He also said the two classroom buildings at South Bay were substantially complete and recommended final payment of \$25, 219.42.

Cabrette Construction Co., West Palm Beach, is the apparent low bidder for paving the playground at South Bay School on the bid of \$450.

Superintendent Watkins was authorized to get estimates of cost for school intercommunication systems. Pahokee and Eau Claire schools were two of eight included in the budget this year.

School personnel changes included the resignation of Miss Mildred C. O'Kelley, Belle Glade Elementary School, effective, Dec. 18.

Two-Day School Vacation

Belle Glade High School students get a two-day holiday next week following Christmas on Tuesday and Wednesday, according to Principal Pellon Morris.

Teachers will remain at the school Thursday and Friday for what Morris termed a planning period.

Hospital Administrator Begins Job Will Seek Accreditation Inspection

Belle Glade Memorial Hospital's newly-appointed administrator, E. F. Saunders, plunged into a busy week of activity as he assumed his duties last Friday. In his first statement to The Herald, Saunders said, "We haven't got a sick hospital here."

His remark countered other published reports that the hospital was in bad shape concerning medical and administrative procedure. He went on to say that he felt that certain improvements had been made since an August, 1949 hospital consultant's report which would be able to hospital to apply for accreditation.

He said he would contact the proper authority to seek an inspection as soon as possible.

Saunders pointed out that the hospital inspection would bring one of three results: 1. Accreditation would not be given, 2. The investigation will show the hospital isn't quite ready; however, provisional approval will be given, or 3. Full approval will be given.

Another inspection within a year. Much of the accreditation deals with the examination of the hospital's financial records.

Encouraging Road News

County Commissioner Paul Rardin announced one of the top priority jobs to be requested in the SRD budget this coming July was the resurfacing of SR 15 between Belle Glade and Pahokee.

Church Of Christ Has Baptismal Rite

Last Lord's day at the close of the evening service at the Church of Christ, one young woman was baptized into Christ, in Christ Jesus as the son of living God. (Acts 8:35-39).

The schedule of services is as follows: Lord's day morning Bible study at 10:00 a. m. with the regular worship service at 11:00. Wednesday night Bible study at 7:30 p. m. classes for all ages. The young people's class is presently engaged in a study of God's dealing with his people as recorded in the book of Genesis.

Worship is simple, plain and scriptural. It consists of singing praise to God (Eph. 5:19), Prayer (Acts 2:42; 1 Cor. 14:15). Observing the Lord's supper every Lord's day (1 Cor. 11:23-26). Teaching or preaching the word of God (Acts 2:42; 16:15-16). Giving to the Lord as we have been prospered (1 Cor. 16:2-3).

Big Lake Board Meet Stated At Moore Haven

The Big Lake Association executive committee will meet Thursday night at 6:30 at Moore Haven at the First Baptist Church. The Sunday School meeting will follow at 7:45. Rev. L. C. Woolridge, pastor of First Baptist Church, South, will attend.

Altar Society Hears Plans On Parish Hall

J. A. Finan, president of the Holy Name Society, was a guest of St. Philip's Altar Society at its monthly meeting held at the home of Mrs. Ted Roman. He outlined building program of the church for the year, mainly the building of a parish hall.

The resignation of Mrs. Kathleen Dexter as treasurer was accepted with regret, and Mrs. Ernest Ambrose was nominated to fill the position. Following the meeting at which Mrs. Vera C. Jones, president presided, a social hour was enjoyed with Mrs. Maria Holden serving refreshments.

Courtesy is really nothing more than a form of friendliness.

Camp Ridgcrest Director Speaks To Baptist Youth

Rev. Wayne H. Chastain, director, Camp Ridgcrest for boys, Ridgcrest, North Carolina, had charge of the opening assembly for the intermediate and Junior Baptist Church last Sunday morning. He showed colored slides and told about the very interesting activities at both Camp Ridgcrest and Camp Crestridge, the girls' camp.

Mr. Chastain is a native of Jacksonville, Florida, having received his A. B. degree from Stetson University and is also a graduate of Southeastern Baptist Seminary.

Well qualified to be a camp director, since he has taught at Fork Union Military Academy for Boys, he has worked with the Santee Sioux Indian Tribe and has been, for several years, associated with Camp Ridgcrest for Boys. He anticipates for the camp a bigger and better than ever season for his two camps of five weeks each session, this year.

"The sole reason for the existence of a Christian boy's camp," says Mr. Chastain, "is to promote the physical, mental, moral and spiritual development of the boy. This is the sacred purpose and trust to which we, as Camp Ridgcrest, are committed." The camp is in its 32nd year, and for over thirty years has played a vital part in the life of Camp Ridgcrest. Each boy has the rare opportunity to learn about the Red Man and his way of life. Regular classes are offered in Indian crafts and lore, in which campers may make their own costumes and accessories; master authentic Indian dances and learn about the great heritages left by our country's first inhabitants.

Each boy has the opportunity to participate in such activities as horseback riding, archery, riflery, tennis, baseball, hiking, nature study, camping out, swimming, tournaments canoeing, track, boxing and wrestling, gymnastics, football, etc.

The camp is ideally situated, in the very heart of Blue Ridge Mountains of Western North Carolina, having an altitude of 2700 feet.

Bob Kent, of Belle Glade, is central co-ordinator for the camp, and his wife, Susan, is on the office staff.

Camp Crestridge, for girls, is across the highway from boys' camp, and there as part of the 1900 acre tract of land upon which is located the Southern Baptist Assembly. The girls' camp is under the direction of Miss Arvine Bell.

Churches Of Christ Scientist

Spiritual understanding of God as divine Truth brings man's assurance of healing and redemption — this is a theme of the Lesson-Sermon entitled "Truth" which will be read at Christian Science services Sunday.

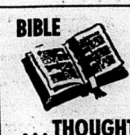

Scriptural passages will include the account in Luke of the healing by Christ Jesus of the man "which had a spirit of an unclean devil" (4:33-35).

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "To understand God strengthens hope, enthrones faith in Truth, and verifies the word: 'Lo, I am with you always, even unto the end of the world'" (448:20).

The Golden Text is from Psalms: "Teach me thy way, O Lord; I will walk in thy truth; unite my heart to fear thy name" (66:11).

The whole faculties of man must be exerted in order to nullify the forces of evil, and he who is not earnestly sincere lives in but half his being, self-mutilated, self-paralyzed.

—Coleridge

... THOUGHT

THE FIRST ALTAR
By Dr. Sam S. Hill
Selected reading - Gen. 8:13
"Noah builded an altar unto the Lord." Abraham, called "The Friend of God," and "The Father of the Faithful," was known as an Altar builder. Whenever he stopped, he built an Altar.

Man is a worshipping being, one of the things that causes him to worship is his desire to give thanks for what God has done. Ingratitude is one of man's oddest and most universal sins. Gratitude presses the human spirit at its best. It makes beautiful the life it touches. Jeremy Taylor said that God had two dwellings, one in heaven and the other in a thankful heart.

We must take time out for our Altars. It is on our knees that we find strength for the tasks that await us. Oliver Wendell Holmes said, "There is a little plant called reverence in the corner of my soul's garden which I love to have watered once a week." America has many needs, but among the greatest in an Altar in every home where we can express our love and worship our Heavenly Father. Do you have an Altar in your home?

W. M. U. Program On Stewardship

Program on stewardship was presented by the Gladys Smith Circle at the regular meeting of the Women's Missionary Union Tuesday night at the church.

Mrs. Mary Moody, program leader, participated also Mrs. William Geckler in discussion; Unusual or sacrificial gifts given or received; Mr. Earwood Plan of tithing and Giving; Mrs. Hill, Duties of a Christian to himself and His Church. The theme of the program was "God So Loved the World that He gave His Only Begotten Son." Devotions were given by Mrs. Edward M. Straner assisted by others.

The business meeting with Mrs. L. C. Strayer, president, presiding opened with prayer by Mrs. S. S. Hill. Reports were heard by Committee chairmen and the community mission project for the rest of the month and February. Visitation by circle members inviting people to church and also to the revival beginning in February.

Announcements were made by Mrs. Strayer of the Association meeting to be held Feb. 4 at 10 a. m. at Green Acres Baptist Church, that all who can attend, on Feb. 8 at 7:30 p. m. Mrs. J. H. Lockhart, State W. M. U. president will teach a Home Mission Book at First Baptist Church in West Palm Beach, Ala. on Feb. 9 from 9 a. m. to 2 p. m. Those wishing to attend may contact Mrs. Strayer.

Mrs. Sara Collier announced that Mrs. Haase, Association G. A. director will be in Canal Point Baptist Church, Thursday from 10 a. m. to 2 p. m. to conduct a G. A. leadership course. The nominating committee was asked to contact someone who is willing to serve as Junior G. A. leader for the church, as the Junior G. A. organization is very important.

Theological Education Sunday, Jan. 24

Sunday, January 24th, has been set aside as Theological Education Sunday in the Episcopal Church. The Church of St. John the Apostle, Belle Glade, will join more than seven thousand other parishes and dioceses of the Episcopal Church in observing this special day this Sunday.

Theological Education Sunday provides a yearly opportunity for the members of the Episcopal Church to give their attention to the work of the Church's theological seminaries. These seminaries are the schools which provide education and training of men entering the ministry of the Episcopal Church. Serving the Church in this manner are eleven theological seminaries located throughout the nation from New England to California. Financial support of the seminaries comes chiefly from the receipts of a special offering taken in each church on Theological Education Sunday.

At St. John the Apostle, special emphasis will be given to theological education at the Sunday services. The Vicar, the Reverend Robert N. Huffman, will preach the sermon at the nine o'clock service on the subject, "The Training of a Priest." The special Theological Education Offering will be taken at both services will be sent to Seabury-Western Theological Seminary in Evanston, Illinois, of which the Vicar is an alumnus.

More Than 100 Guests Celebrate Pat Anderson's Sixteenth Birthday

Belle Glade Church Club decorated in pink and white, was the setting Saturday night for one of the outstanding social affairs among the teenage set. Mr. and Mrs. Frank C. Anderson entertained for their daughter, Pat, on her 16th birthday at a party and dance.

Pink and white streamers caught up with a cluster of balloons extended from the center of the ceiling to the sides. The serving table laid with a pink nylon net over pink satin cloth had a centerpiece of pink and white roses, flanked with pink candles.

Chaperones were Mrs. John Richardson, of Miami, Pat's aunt; Mrs. Aleese Cherry, another aunt; Ralph Kesner, uncle; Mrs. Josephine Hayes, Mr. and Mrs. Milton Carpenter and Mrs. Jack Mathewson. Miss Mary Mathewson kept the guest book. The honoree was the recipient of many lovely gifts.

Assisting in decorating were Mrs. Mary Smith, Helen Cherry and Sherry Bridges.

Another New Motel For Belle Glade

Expressing their pleasure at the warm welcome given them on their recent opening of their new Sunland Motel on south State Road 80, Mr. and Mrs. George Scarborough asked that we remind their friends who haven't yet stopped by that they'd be most pleased to have them call.

"We're quite proud of our new place business," Mrs. Scarborough remarked, "and while we find each day we have many things to learn in this new field it is most interesting. Folks have been wonderful to us and the cooperation from other motels in the area most generous," she added.

As one of the visitors this re-

porter noted the attractive yellow and aqua color schemes. The fourteen rooms are attractively furnished and made comfortable throughout with thermostatically controlled heat and air conditioning. TV is available in every room.

They pointed out that fruit trees native to our state are being planted on the grounds for tourist interest.

Best wishes folks, from your hometown paper. We consider your new venture a nice addition to our town.

**Scout Troop 621
Weekend Campout
Is Rugged Work**

Boy Scout Troop 621 held a camping trip from 8 p. m. Friday, January 15 until noon, Sunday, January 17 at the troop campsite on the dike between Belle Glade and Pahokee under the leadership of R. H. Lewis, Scoutmaster and C. E. Haines and F. H. Thomas, Assistant Scoutmaster. Scouts attending were Marilyn Felsing, Bobby Gressinger, John Bamford, Danny Lanier, Eddie Haines, and Jim Ludlow of the Woodman Patrol, and Victor Riedel, Jerry Odum, Bobby Kunkel, Larry Keeler, Glenn Wolf, Jay Uhrig, and Gene Hollingsworth of the Cobra Patrol. On Friday night, two of the dads, Robert Gressinger and Myron Ludlow, enjoyed a winter camp with the scouts at the campsite. Skits were performed by the two patrols.

Saturday was spent in clearing additional land to expand the campsite and in the boys passing various requirements, the most popular being a five mile hike, cooking, and making rustic camp equipment.

The troop returned to the Presbyterian Church at Belle Glade at noon on Sunday where the scouts and their parents and tired adult leaders were claimed by mothers and wives.

**Pahokee High School
To Add New Building**

The School Board is calling for bids on Feb. 17th for the erection of a new INDUSTRIAL ARTS BUILDING, at Pahokee High School, according to Board member, Thurmond W. Knight, of Lake Park.

This new shop building will take the place of the present portable building erected four years ago, which has served the purpose of starting Industrial Arts and shop training in this school center.

An alternate in the specifications will call for the removal of the portable building to the East Lake School in Pahokee, to be used as a band room for that school, which it is to be made into a full high school for our negro pupils in that area within the next year or two.

The designing architect is Chester A. Cone, of Belle Glade, from whom plans can be secured by interested contractors.

Police Identification

(Continued From Page One)

is an example of the wider fields of training that this department receives.

In other departments which I have visited, each man is assigned one certain job. In our I. D. Section, each man does the same type of work the other does. This makes for a more efficient division. Each person assigned to the I. D. Section dispatches and answers calls from the cars, receives complaints in person and over the phone, gives assistance to other officers when needed, and books all Sheriff's Department and Constable prisoners.

In 1959 we booked 2,134 prisoners for the county.

We receive calls every day for record checks for other departments which are looking for persons accused of a crime. With our well-trained and well-organized office staff, we are able to handle the calls and complaints and any emergency that may arise.

Please feel free to call us on any matter, no matter how small it may seem to you. We are here willing and able to serve you. Our staff is fully able to help you in your problems. If by any chance they are not able to give you a truth, full and correct answer, they will properly and efficiently dispatch a car to you which will be able to help you.

WORTH MORE BECAUSE THEY WORK MORE

Chery's new torsion springs and Sturdi-Bilt design are changing everybody's ideas about how much work a truck can do. Last year's schedules are cut—Chevrolet trucks ride faster over the rough roads to get more trips a day! Big repair bills are no longer a problem—Chevrolet trucks soak up punishment that means downtime to other makes! And trade-in time's put off for extra thousands of miles—'60 Chevrolet trucks stay new like never before!

FEES Monthly Report

Payments to the insured unemployed in Florida reversed the usual seasonal down trend in December and increased instead of falling, partly due to slowdowns in the construction industry, states a report from State Industrial Commission Chairman James T. Vocelle this week.

Payments increased \$174,188 over November to \$1,698,680 in December. The increased payments were spread over the entire state as 22 Employment Service offices showed increases and ten showed decreases.

Belle Glade payments were up \$266 to \$3,935.

Mrs. Waldron Dies In Car Accident

Mr. and Mrs. A. L. Gunter and family, Mr. and Mrs. H. J. Martin and Mrs. D. L. Hall were called to Frostproof by the death of Mrs. Blanche Waldron, mother of Mrs. Gunter and step mother of Mrs. Martin. Mrs. Waldron, 56, was killed in an automobile accident Thursday four miles South of Lake Wales. The car Mrs. Waldron was driving crashed into a trailer truck, which was unavailable due to heavy smoke in that area. Services were conducted Sunday.

I'm crazy about my "White Glove" kitchen!

The heart of a modern Florida home is its electric kitchen. Medallion Homes kitchens are push-button miracles. They have modern electric ranges for flameless, cool, "white glove" clean mealtime magic. Electric water heaters are care-free, dependable, and flameless for peace of mind. Eliminates soot and offensive fumes.

These and other "most wanted" major electric appliances are the maids-of-all-work already installed in every Medallion Home.

A Medallion Home Award certifies to these basic requirements:

- ELECTRIC WATER HEATER**
The heart of your kitchen-laundry. Matches for speed, cleanliness, coolness and safety.
- MODERN ELECTRIC RANGE**
Flameless, smoke-free and "white glove" clean. Walls and curtains stay cleaner longer.
- MORE "REDDY SERVANTS"**
Every Medallion Home has four or more major electric appliances to make life brighter... housework lighter.
- FULL HOUSEPOWER CONVENIENCE**
100-200 amp. service entrance wiring with enough circuits to power full power to all your appliances. Also plenty of convenient switches and outlets within reach.
- LIGHT-FOR-LIVING**
Ample power for room and entrance lighting. Illumination for safety, eye comfort, and decorative beauty.

Look for the Medallion—the hallmark of electrical excellence. It's a whole new concept for Better Living... Electrically. No family should buy a home without it.

New Dollar-Saving Prices
Step-Van, A-Wheel Drive, many light-duty models with automatic transmissions—all are lower priced. Prices have also been reduced on all optional V-8's.

New Torsion-Spring Suspension
Eliminates I-beam shimmy and wheel fight! With torsion springs up front there's a brand-new, smoother, easier handling feel behind the wheel. New rear suspensions include wide-based coil springs in most light-duty models; tougher variable-rate leaf springs in medium- and heavy-duty models.

Electrically Balanced Wheels
Front wheels and tires are balanced at the factory. Helps make that new ride revolutionary!

Plus Improvements All Through the Line
A new steering linkage system that cuts vibration, means better control. There's new V-8 efficiency. Sixes long famous for saving. New key-turn starting. Higher, wider visibility. Talk to your Chevrolet dealer about the world's most advanced trucks.
